states hashing a seembles, given from their minutes, would call out protests of heartest of marked condemnation. Synods, the church requires that a minister be attains of the Assembly of marked condemnation. Synods, the church requires that a minister be attains of the Assembly of marked condemnation. Synods, the church requires that a minister be attained, their protests. But the fullest protest the church as a paper called "The Declaration and Testimony," That paper shows the erroneous and heretical doctrines and the assembly. Proceedings of the church of the declaration of the declaration of the members of the church to the members of the church to the members of the deliverances of the Assemblies durables and the constitution of the Assembly who was a bitter hater of the Commissioner was a bitter hater of the Commissioner.

intion of the States. In 1864 the church the slaves have claims on the timenal assembly indice of the country and the cordinator of the case of the country and the cordinator of the country. The pointers and the cordinator of the country and the cordinator of the country and the cordinator of the country and the cordinator of the country. The country and the cordinator of the country and the cordinator of the country and the cordinator of the country. The country and the cordinator of the country and the cordinator of the country of the country of the country. The country of the country. The country of the country. The country of the country o

by the Apostles; that whilst they were required to treat their slaves with kind-ness, and, if Christitans, as betteren in the Lord, they were not commanded to enumeripate them. Tho Assembly, cannot, therefore, denounce the holding of slaves as necessarily a heinous and skill suited for every energency. See, &c.

The Assembly also declares in another in the church clarging the Apostles of Christ with counting at sin, introducing into the church such sinners, and then bringing upon them the eurise of the Abraighty." [Min. 1845, pp. 15-16.] When the Assembly of 185 met—on the first day of its session the Rev. S. Miller introduced a resolution that the Assembly any point a day of fasting and provided the same with the minrous point of the country. The Northorn theirst day of its session the Rev. S. Miller introduced a resolution that the Assembly appoint a day of fasting and prayer in the church, in view of the state of the country. The Northorn trace in the country. The Northorn that the classion was had on the motion to appoint on the third day.

The Northorn theorems of sickness and stempt and official acts during the war, such as the refusal to exchange prisoners and lereby to release the Northern soldiers and official acts during the war, such as the refusal to exchange prisoners and lereby to release the Northern soldiers and official acts during the war, such as the refusal to exchange prisoners and lereby to release the Northern soldiers and of the country. The Northorn the state of the country. The Northorn the classion was had on the motion to appoint on the third day.

The Novi noffered the following substitute:

"The Assembly again the seemal assembly or defend the substitute of the country. The Northorn the classion was had on the motion to appoint on the third day.

TELEGRAPHIC NEWS. WASHBURNE.

OUR MINISTER TO PARAGUAY.

have even noticed such charges. The commander of the American squadron, Rear Admiral Itavls, has taken prompt measures to viudicate the Insult to our flags.

The Post says, editorially. We print a letter from a well informed correspondent in Rio de Janeiro which relates In language (the tone of which shows the deep feeling which exists among Americans in Brazil) an extraordinary story about the United States Minister in Paraguay, Mr. Washburne. It is asserted that Mr. Washburne left the country and abandoned to the barbarous Dictator Lopez two American eitizens. P. C. Bliss and G. F. Masterman, both of whom were employed in the Logation and were United States officers. Such an incredible story of cowardice on the part of a United States Minister would be received, at least, as donbtful and uncertainty of the part of a United States Minister would be received, at least, as donbtful and uncertainty of the country and abandoned to Mr. Washburne, did not a long letter of Mr. Washburne, did not a long letter of Mr. Washburne, which is also be found elsewhere, fully confirm in life relates in this letter, which is a decessed to the English Minister at Rio Janeiro, that Bliss and Masterman were passing from the legation to the water side, where they were to emblark in a The commend of two promises of the part of lanks organized since passing from the legation to the water side, where they were to emblark in a The number of lanks organized since the last annual report is twelve; the emblar condition of the banks, the amount of revenue, we.
